

PRIVACY POLICY OF THIS SITE

This page describes how to manage the site with regard to the processing of personal data of the users who consult it. This policy is provided in accordance with Art. 13 of Legislative Decree no. 196/2003 - Law on the protection of the personal data of those who interact with the web services of CIAT SRL Italy, accessible online at the address: <http://www.cipriani-phe.com>

The policy is provided only for the CIAT Italy SRL site and not for other websites accessed by the user through the link. The policy is also based on Recommendation no. 2/2001 that the European authorities, for the protection of personal data gathered by the Group established by Art. 29 of Directive no. 95/46/EC, adopted on May 17, 2001 to identify certain minimum requirements for the online collection of personal data and, in particular, the methods, timing and nature of the information that data controllers must supply to users when they connect to web pages, regardless of the collection purpose.

The data controller

Following consultation of this site, data related to identified or identifiable persons may be processed. The data controller is CIAT Italia SRL, via Nassar 46, 37026 Pescantina (VR)

DATA

PROCESSING

MANAGER

The company CIAT Italy SRL is designated responsible for processing pursuant to Art. 29 of the Law on personal data protection, as it is entrusted with the maintenance of the technological part of the site.

Data processing location

Processing related to the web services of this site takes place at the above premises and is only handled by technical staff in charge of processing, or by potential persons in charge of occasional maintenance operations, properly trained on the protection of confidentiality. No data derived from the web service is communicated or disseminated. The personal data provided by users who send requests for information (newsletters, answers to questions, comments, requests for quotations, contacts and the like) are used only to perform the service requested and communicated to third parties only if necessary for that purpose (shipment of information or advertising material through Poste Italiane Spa).

Types of data processed

Navigation data Computer systems and software procedures used to operate this website acquire, during their normal operation, certain personal data, the transmission of which is implicit in the use of Internet communication protocols. This information is not collected to be associated with identified parties, but by their very nature could, through processing and association with data held by third parties, allow users to be identified. This data category includes IP addresses or domain names of computers used by users connecting to the site, the URI (Uniform Resource Identifier) of requested resources, the request time, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the reply given by the server (successful, error, etc.) and other parameters regarding the operating system and computer environment of the user. These data are used only to obtain anonymous statistics on site usage and to check its correct functioning and are deleted immediately after processing. The data may be used to ascertain responsibility in case of hypothetical computer crimes against the site: apart from this possibility, at present, data on web contacts are not stored for more than seven days and in any case, no later than the time needed to process the requests submitted.

Data supplied voluntarily by the user.

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this website entails the subsequent acquisition of the sender's email address, necessary to respond to the request, as well as any other personal data included in the message.

Specific summary information will be progressively reported or displayed on the site pages dedicated to particular services on request.

Cookies

This site uses *cookies* to enable better navigation. The site is set up to allow the use of all *cookies*.

Optional data supply

Apart from what is specified for navigation data, the user is free to provide personal data reported in the request forms to CIAT ITALIA SRL or, in any case, indicated in contacts with the Office to request the dispatch of the newsletter, information or other messages.

Their absence may make it impossible to process the request.
Processing method

Personal data are processed by automated tools for the time strictly necessary to meet the purposes for which they were collected. Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorised access.

PROCESSING

METHOD

Personal data are processed by automated tools for the time strictly necessary to meet the purposes for which they were collected.

Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorised access.

Rights of interested parties

The parties to whom the personal data refer have the right, at any time, to obtain confirmation of the existence or otherwise of such data and to know its content and origin, verify its accuracy or request its integration or update or correction (Art. 7 of Legislative Decree no. 196/2003). Pursuant to this Article, they have the right to request cancellation, transformation into anonymous form or the blocking of data processed in violation of the law and oppose, in any case, their processing for legitimate reasons. The requests can be made in any form and at no cost to CIAT Italia SRL using the contact information on the site.

Changes to the Privacy Policy

CIAT Italy SRL reserves the right to modify, update, add or remove portions of this privacy policy at its discretion at any time.

The interested party is responsible for periodically checking for potential changes to this page.

In order to facilitate the verification of the policy, the indication of the publication date will be included on the site.

The use of the site after the publication of changes will constitute acceptance of the same.
